

Creative Coloring Pages With  
**Wildlife Illustrator Kitty Harvill**

illustrator of *Wisdom, the Midway Albatross* and *Abayomi, the Brazilian Puma*

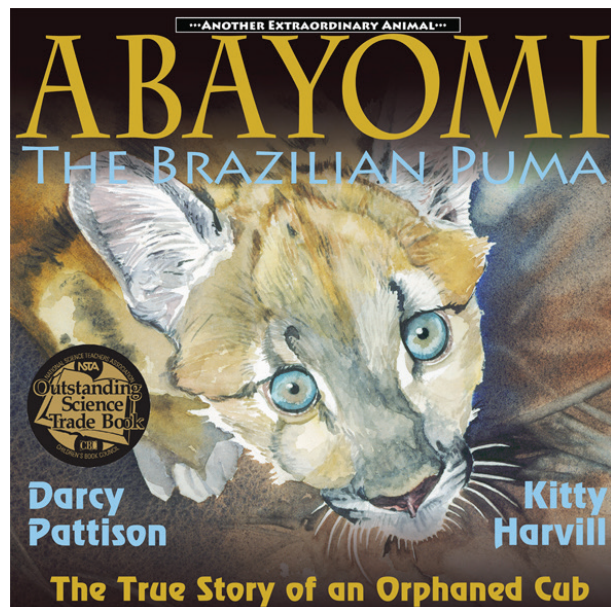

## Creative Coloring Pages

As an artist, Kitty Harvill likes to encourage students to use their own creativity. Instead of coloring pages, she's given students a start on a drawing of their own. The instructions are simple: finish the drawings by adding a landscape, a bird, or complete the bird.
